Volume 10, no. 5, e02211-19, 2019, <https://doi.org/10.1128/mBio.02211-19>. The second paragraph under Acknowledgments (PDF page 15) should have read as follows: L.G.R. has a financial interest in Spero Therapeutics, a company developing therapies for the treatment of bacterial infections. L.G.R.’s financial interests were reviewed and are managed by Massachusetts General Hospital and Partners HealthCare in accordance with their conflict of interest policies. The rest of us declare that we have no competing interests.
